The 1860 census in New Haven, Conn. Shows him with his wife, Martha. Can't find him in any census after 1860.

Grinnell's Stable was located where Tops Grocery Store is today. Grinnell opened a livery and boarding stable, to this he also added a stage route from Northville to Lake Pleasant. Along with his passengers, he also carried mail. Eventually he remodeled and added on to it, then it became the Anibal Hotel. Later becoming the Tower Hotel.

IF YOU LOOK AT YOURSELF

in one of our \$12 suits, you'll see something that'll take your fancy. You will like it from the first day you put it on, until, for the last time, you take it off. Nothing handsomer has been reflected by a mirror and no suit ever gave more abundant satisfaction. It will wear as though it never was intended to wear out—it will look new long after it has ceased to be. A little hard usage will produce no visible effect upon it. In every respect it. In every respect it will provoke the approval of the judicious buyer—the buyer who knows a good thing when he gets it.

BASKETBALL NCS GYMNASIUMS

School Sports over the years has changed tremendously, in many ways. Previous to the building of the NCS on Third Street, there were no gymnasiums for the students. When our current school was built in 1932, plans were made to have a gymnasium built. It had concrete bleachers with the seating capacity to hold more than enough spectators who attended the events. In 1979 an addition was added to the school which allowed for a new larger gymnasium. Recently with the renovations of the school property, the gymnasium has received some improvements. The school mascot has been painted in the center of the new floor. Below is an article written in the "NHS Northern Light" in 1930.

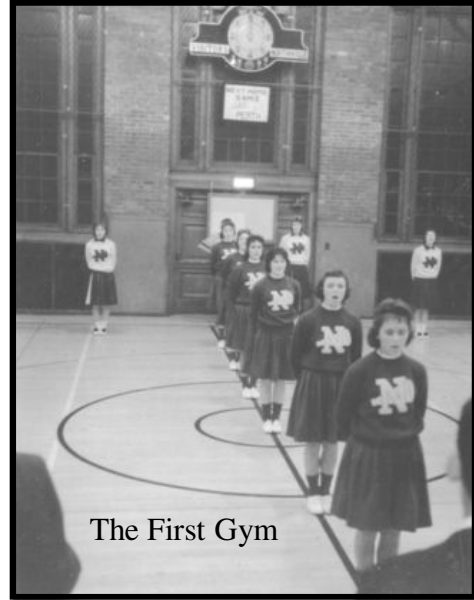

ATHLETIC NOTES 1930

During the past month the Basket Ball Spirit which has always been in N. H. S, flared out. Most all the boys turned out and formed under the name of Adirondack A. C. The high school name was not used because the team was not formed under the auspices of the school. The boys elected a committee to secure the St. Francis church court. Officers were elected, Robert Morrison was elected manager, Richard Goodney captain, and George Culver treasurer.

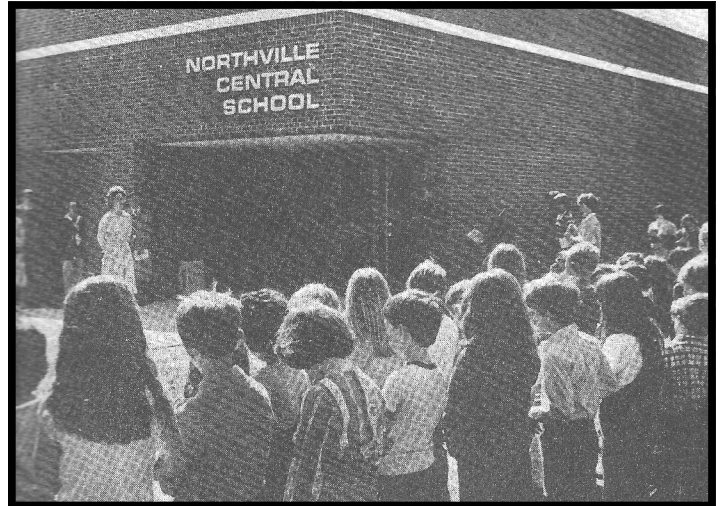

The first game was lost to Wells on account of insufficient practice. The second was lost on account of the opponents, the Goobers of Gloversville, being a faster and stronger team. The third game with Celtics of Gloversville was won by a score of 46 - 23. This shows the team is getting better. Thursday, they will meet the Ramblers of Gloversville. It is hoped this game will be another victory.

After this game the team must be broken up. Some one not belonging to the squad, damaged the church property and now the door is locked to all the boys. If the High School had a gymnasium and under high school supervision this would not have happened, and it would have a flourishing basketball team of which the school would be proud.
